addresses, names...

Develop a plan –

Without a plan, you will never \_\_\_\_\_.  
If it's \_\_\_\_\_ to you, you will plan on it.

Write out, on \_\_\_\_\_, the verses  
from your daily readings that God brought to your  
attention (with the date you wrote it down).

Create a \_\_\_\_\_ of verses that  
you've written down.

Go over the new verses every \_\_\_\_\_ for one  
\_\_\_\_\_, adding new verses along the way.  
Review the old verses \_\_\_\_\_ and then yearly.

Get an \_\_\_\_\_ who will  
help you stay on track.

Use other \_\_\_\_\_ to help you work on
