

## Jesus has the Last Word Matthew 7:21-23

**Main Point: Christianity is about \_\_\_\_\_ living (starting internally)**

**Not everyone who \_\_\_\_\_ to be a Christian really is a Christian  
Matthew 7:21**

**-Having a good and right \_\_\_\_\_ does not necessarily mean that a person is a true Christian  
Matthew 7:21, 22**

**- \_\_\_\_\_ things in this \_\_\_\_\_ for the Lord does not necessarily mean that a person is a true Christian  
Matthew 7:22**

**-Being an \_\_\_\_\_ person when it comes to the Lord and spiritual things does not necessarily mean that a person is a true Christian**

**-“Lord, Lord”-the double pronouncement always symbolizes \_\_\_\_\_ in the Bible (Mt. 7:21, 22)**

**Jesus says that on The Day of Judgment “ \_\_\_\_\_ ” will be surprised  
Matthew 7:22**

**How can a person who has strong feelings of \_\_\_\_\_ for the Lord, a right \_\_\_\_\_, and does many \_\_\_\_\_ for the Lord not be a real Christian?**

**-By having a false sense of \_\_\_\_\_ which comes from a wrong view of \_\_\_\_\_ and biblical \_\_\_\_\_**

**-By living in a state of self \_\_\_\_\_ whereby a person puts their confidence for their salvation in what they have done**

**-One can do many “ \_\_\_\_\_ ” things for the Lord and still be lost**

**-One can lose their \_\_\_\_\_ through their pursuit of many things that are not necessarily “bad”**

What is the primary mark that a person has a \_\_\_\_\_ peace and is deceiving themselves?

-They are workers of \_\_\_\_\_

Matthew 7:23  
Matthew 13:41

A true disciple of Jesus is a person who seeks to do the \_\_\_\_\_ of the Father (which is living in \_\_\_\_\_ to His commands)

Matthew 7:21, 23

-Obedience to God's Law is primarily an issue of the \_\_\_\_\_

-One cannot truly begin to obey God from their heart until their heart has been made new by the \_\_\_\_\_ of God through the \_\_\_\_\_

What God desires from His people is internal \_\_\_\_\_ leading to Law keeping obedience (this is what "good works" refers to in the Bible)

Titus 2:14  
Matthew 5:16

Outward actions can never \_\_\_\_\_ for internal righteousness

The true \_\_\_\_\_ work of God is to take dead hearts (hearts of disobedience) and make them alive (hearts of obedience)

The \_\_\_\_\_ show us what a true disciple of Jesus looks like

Salvation is about \_\_\_\_\_ (which leads to humility) and \_\_\_\_\_ (which leads to holy living)

Application:

Memorize the \_\_\_\_\_ and use them to examine and test your heart and your life
