

Jesus Christ is the Only Answer for a World Divided part 2
Ezekiel 37:15-28

In order to understand the answer for a divided world, we must understand Ezekiel's divided world.

- The Nation of Israel was one nation until civil war broke out under the leadership of Rehoboam.
- Jeroboam led the northern 10 tribes of Israel to defect from the Nation of Israel.
- 150 years prior to Ezekiel's writing, the northern tribes went into captivity in Assyria.

It is unfortunate that many Christians have a very difficult time with the sovereign election of God.

- Ezekiel's prophecy is mainly about the sovereignty and glory of God.
- God pleads with sinners to repent.
- It is rebellion to declare that God's ways are unjust.
- When God acts, it is for the glory of His name, not primarily for us.

_____ is solely the divine work of God in giving life to _____ souls, without any human aid in the process.

When God _____ dead souls and makes them alive, the only reasonable by-product is _____.
