

**Citizens in God's Kingdom Consider the Future:  
Jacob  
Hebrews 11:21**

1. It was Jacob's \_\_\_\_\_ on his death bed that the writer wanted to emphasize

Hebrews 11:21

-Jacob's faith, even as \_\_\_\_\_ approached, was still in the Lord his God, who was:

-the \_\_\_\_\_ of his soul

Genesis 48:15

-his \_\_\_\_\_

Genesis 48:16

-the \_\_\_\_\_ Keeper

Genesis 48:16

-The Hebrew Christians were facing hardships and they were called to \_\_\_\_\_ their faith in the Lord (just as Christians in every age face hardship and are called to \_\_\_\_\_)

Faith flows from God's \_\_\_\_\_-this strength to stand in faith in the midst of trials (even that of death) is not your own doing but is a \_\_\_\_\_ from God

2. It was Jacob's \_\_\_\_\_ of the Lord, even though his strength was failing, that the writer wanted to emphasize

Hebrews 11:21

-True and right \_\_\_\_\_ in the midst of hardship only flows from true and right \_\_\_\_\_
