

**Citizens in God's Kingdom Consider the Future:  
Joseph  
Hebrews 11:22**

1. Joseph, even on his death bed, still was a man of \_\_\_\_\_ in God and His Word  
Hebrews 11:22a

-Joseph \_\_\_\_\_ God  
Genesis 50:24-25a

-You who have a more \_\_\_\_\_ word, do you believe God? (2 Peter 1:18)

-Faith in God and \_\_\_\_\_ His word go hand-in-hand

2. Joseph's faith in God and His Word led to \_\_\_\_\_ (a confident expectation concerning the coming promises of God)  
Hebrews 11:22b

*[The Exodus (led by Moses), the wilderness wanderings (led by the Spirit of the Lord in a cloud by day and fire by night), and the Land of Promise (Canaan) were all events wherein God was foreshadowing the glorious Gospel-where Christ would lead His people through a true Exodus from the land of sin and slavery through the wilderness of life (Being guided by the Spirit of the Lord and sustained by the Bread of Life and Living Water) to a rich/bountiful land that the Lord has prepared for us]*

-Joseph displayed biblical \_\_\_\_\_ in 2 ways:

-On his death bed he was proclaiming God's coming promises to \_\_\_\_\_ (promises that were a \_\_\_\_\_ way off)

-Do you display biblical hope to \_\_\_\_\_?  
Do you display \_\_\_\_\_ as you eagerly await their fulfillment?

-On his death bed he was \_\_\_\_\_ others to take action that evidenced their faith

-Are you encouraging others to \_\_\_\_\_ in a manner that accords with their faith and hope?
