Quotes:

“Satan is clever. He does not only bewitch men in a crude manner, but also in a more artful fashion. He bedevils the minds of men with hideous fallacies. Not only is he able to deceive the self-assured, but even those who profess the true Christian faith. There is not one among us who is not at times seduced by Satan into false beliefs...Although I am a doctor of divinity, and have preached Christ and fought His battles for a long time, I know from personal experience how difficult it is to hold fast to the truth. I cannot always shake off Satan. I cannot always apprehend Christ as the Scriptures portray Him. Sometimes the devil distorts Christ to my vision. But thanks be to God, who keeps us in His Word, in faith, and in prayer.”-Luther
