

Christ is the Only Hope for Sinful People
Galatians 3:23-26

**The Law held us _____ and _____ us before
Christ came-verse 23**

**The Law is not just to be viewed in negative terms as it also
acts as a _____ leading us to Christ-verses 24-25**

**It is _____ in Christ that leads to “sonship” with God,
never our obedience to the law-verse 26**

“The Law cannot beget children of God. It cannot regenerate us. It can only remind us of the old birth by which we were born into the kingdom of the devil. The best the Law can do for us is to prepare us for a new birth through faith in Jesus Christ. Faith in Christ regenerates us into the children of God.”-Luther
