

**Jesus Christ is the Head of the Church**  
**Part 1 - Men and Women**  
**1 Timothy 2:8-15**

This whole section, in fact this entire book, is about how God's people are to \_\_\_\_\_ in the Church (3:14-15)

1. Men in the Church should prayerfully \_\_\_\_\_ to God's sovereign authority and not use their anger to try and get others to bow to their will (verse 8)
2. Women in the Church should seek to \_\_\_\_\_ themselves more with good works than with extravagant apparel (verses 9-10)
3. In the Church women are not to be given the position of \_\_\_\_\_ over men nor to be given a place of authority over men (verses 11-12)

Why? The reasons Paul gives to support this are grounded in the events of \_\_\_\_\_ and the \_\_\_\_\_ (verses 13-14)

-Adam was formed \_\_\_\_\_ (creation)

-Eve was \_\_\_\_\_ (the fall)

Veres 15 is an exhortation for the Church to not \_\_\_\_\_ the culture around them but instead to submit to God's creational order while not neglecting the most essential aspect of faith and the spiritual fruits of faith
