

**Jesus Christ is the Head of the Church-  
Part 2 - for overseers  
1 Timothy 3:1-7**

Desiring to be an elder in the church is desiring to perform a \_\_\_\_\_ work-3:1

Some quick points on good works:

1. Good works are those works that \_\_\_\_\_ to the Word of God
2. Just because a good work is performed does not mean that it is \_\_\_\_\_ to God
3. The saints should be about good works-not because they are seeking merit with God or trying to gain a standing among men but because they desire to bring \_\_\_\_\_ to God
4. No one can do \_\_\_\_ good works but should do those good works which the Lord has given them to do

Those in the Church and especially those who are leaders in the Church should be \_\_\_\_\_ a gospel transformed life-3:2-7

Elders in the Church should seek to not only proclaim Christ but also to \_\_\_\_\_ Him

The goal of the Christian life is to show forth the goodness of God in Christ by both declaring Truth and striving to \_\_\_\_\_ out the Truth
