Quotes:

“Without grace we are not able to do any good thing.”-
Augustine

“Though brief, it is rich in meaning, for grace is the greatest blessing of all. It is God’s favor in Christ towards the undeserving, transforming their hearts and lives and leading them to glory...Though the epistle is addressed to just one person, Timothy, the latter would certainly see to it that its contents reached others. God’s grace, accordingly, is pronounced upon the entire Christian community.”-Hendriksen
